Internationally Acclaimed Israeli Comedian

May 7, 2026

Location is in North York and will be announced prior to the event.

Fundraising to rebuild the heart of Kibbutz Holit | [Click here to view project video](#)

On October 7, Kibbutz Holit was devastated, losing beloved members of its community, including Canadian-born mother Adi Vital-Kaploun, who was killed while protecting her children. The survivors were forced to disperse, and now they are determined to return home in 2026. At the heart of this renewal, Friends of JNF Canada is committed to building a central landscape with gardens, shaded playgrounds and outdoor fitness areas where children, parents and seniors can heal, reconnect, and rebuild community. You can help restore the Heart of Holit and turn resilience into renewal.
