The B'nei Brak Centre for children with severe disabilities

On June 16, 2025, an Iranian missile struck the B'nei Brak Centre for children with severe disabilities, destroying one of Israel's most advanced and vital rehabilitative facilities. In a matter of seconds, a place that provided daily therapy, care, safety, and dignity to more than 650 children and their families was reduced to rubble.

The B'nei Brak Centre is a unique home for children and young adults with complex disabilities. It is one of the only centres in the region equipped to offer highly specialized therapies, delivered with exceptional professionalism and innovation. For many families, it was not just a treatment facility, but a place of stability and trust.

Today, these families have nowhere else to turn. Some children are receiving therapy in parking lots, while others have had their care interrupted entirely.

Friends of JNF Canada is committed to helping rebuild what has been destroyed. From therapy rooms and multi-sensory clinics to rehabilitation spaces, the needs are urgent and extensive. Working closely with the centre, we are supporting rebuilding efforts where help is needed most.

This campus has long been a beacon of hope. Your gift will help restore care, dignity, and continuity to Israel's most vulnerable children, and reaffirm the strength of Israel's resilience.

About Friends of JNF Canada

We are a registered charity proudly carrying forward the legacy of JNF Canada and generous Canadian donors, continuing decades of support for the people of Israel.

At this profound time in Israel's history, we are building on the enduring connection between Canada's Jewish community and Israel. We are guided by a shared sense of responsibility and hope for Israel, a country so deeply rooted in our collective identity.

We will support charitable activities through projects that help the vulnerable, enhance environmental sustainability, and support the mental and physical health of Israelis in need. Rooted in determination and compassion, we remain dedicated to building a stronger, more hopeful future for Israel together.
