for Israel*

## About Friends of JNF Canada

Friends of JNF Canada is a registered Canadian charity, carrying forward the legacy of generous Canadian donors, continuing decades of support for the people of Israel.

At this profound time in Israel's history, we are building on the enduring connection between Canada and Israel, a country so deeply rooted in the collective Jewish identity.

With a strong understanding of Israel's charitable needs, we support projects that improve the lives of vulnerable communities, support the mental and physical health of Israelis, and enhance environmental sustainability. We are dedicated to supporting resilience and renewal for a brighter Israel, together.

## About Young Leaders for Israel

Friends of JNF Canada's Young Leaders for Israel empowers the next generation of leaders and advocates for Israel. Young Leader members (22–40 years old) strengthen their connection to Israel while developing leadership skills and engaging in their communities. Through volunteer opportunities, curated events, expert speakers, and immersive missions to Israel, the program builds knowledge, confidence, and impact. Each year, members unite around a fundraising project, creating a strong, collective commitment to supporting Israel and fostering Jewish continuity.

## B'nei Brak Center for Children with Severe Disabilities

Proceeds from The NextGen Cup golf tournament will support the rebuilding of the B'nei Brak Center for Children with Severe Disabilities, one of Israel's only facilities providing advanced, specialized care for children and young adults with complex needs. After the center was destroyed by a missile strike, over 650 children and families were left without critical therapy and support. Your gift will help restore essential treatment spaces and ensure these children can once again receive care with dignity, safety, and hope.
