In support of Beit Nova:
A Centre to help rebuild the lives
of Nova survivors and their families
through connection, care and resilience

About Friends of JNF Canada

Friends of JNF Canada is a registered Canadian charity proudly carrying forward the legacy of generous Canadian donors, and continuing decades of support for the people of Israel.

At this profound time in Israel's history, Friends of JNF Canada is building on the enduring connection between Canada's Jewish Community and Israel. We are guided by a shared sense of responsibility and hope for Israel, a country so deeply rooted in our collective identity.

What We Do

Friends of JNF Canada supports charitable activities through projects that help the vulnerable, enhance environmental sustainability, and support the mental and physical health and well-being of all Israelis.

With a strong understanding of the broader landscape, we know where local organizations & charities and diaspora philanthropies are directing their funds. We work to find areas where Canadian donations can realize something profound, recognizing that thoughtfully deployed funds can result in a dramatic impact.

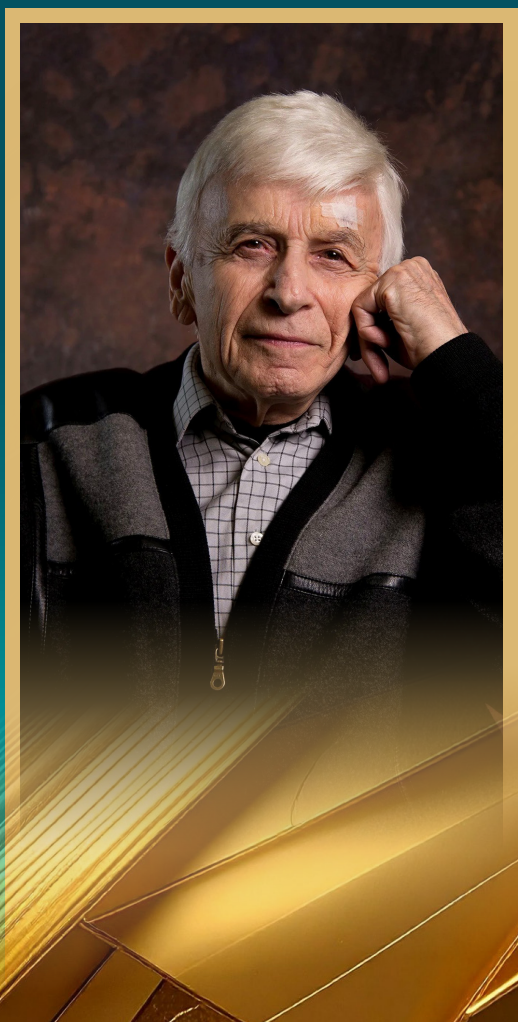

NEGEV 2026 HONOUREE

Max Eisen מ"י

Max Eisen (1929–2022) was a Holocaust survivor, entrepreneur, author, and one of Canada's most respected Holocaust educators. After surviving Auschwitz-Birkenau, forced labor camps, and a death march during the Holocaust, he immigrated to Canada in 1949 and rebuilt his life from nothing. Settling in Toronto, he married his wife Ivy, raised a family, and established a successful business manufacturing custom vinyl products, becoming a respected businessman and community leader.

Alongside his professional achievements, Max dedicated more than three decades to Holocaust education. He shared his testimony with thousands of students, educators, and community members across North America, becoming a powerful voice for remembrance, tolerance, and human dignity. Through speaking engagements, educational programs, and his participation in the March of the Living, he helped ensure that future generations understood both the dangers of hatred and the importance of moral courage.

In 2017, Max published his memoir, *By Chance Alone*, which became a national bestseller and won Canada Reads 2019, introducing his story to readers across the country. In recognition of his extraordinary contributions to education, remembrance, and Canadian society, he was appointed a Member of the Order of Canada in 2021. His legacy continues to inspire people around the world through his writing, testimony, and lifelong commitment to bearing witness.

NEGEV 2026 PROJECT

Beit Nova

Beit Nova is a dedicated healing and long-term recovery centre designed to support survivors and bereaved families through community, care, and connection.

Strategically located near Netanya, surrounded by nature and nestled within the Ilanot Forest, the centre facilitates nature therapy and provides a serene, therapeutic atmosphere that fosters recovery, belonging, and long-term growth. The community-oriented environment enables families to integrate with the treatment process, a critical aspect for long-term rehabilitation.

The complex will include specialized healing areas, a visitor centre, recreational and fitness spaces such as a gymnasium and basketball court, landscaped gardens, and a shared therapeutic and accessible exercise pool. These facilities are designed to integrate emotional support with physical wellbeing, providing a holistic approach to rehabilitation. Their approach incorporates unique elements that distinguishes Ilanot from other centres, promising significant benefits for patients.

In partnership with Alin Beit Noam, a leader with over 30 years of experience in supporting adults with disabilities, Beit Nova will also create meaningful integration between Nova survivors and adults with special needs, building a unique, inclusive community grounded in empathy and mutual support.

Once operational, Beit Nova will serve as a vibrant hub for workshops, therapy, commemorations, and community life. This initiative is a collaborative effort Friends of JNF Canada is proud to support along with the Tribe of Nova Foundation.
